RE: ANNOTATED PETITION, STATEMENT OF FINANCIAL AFFAIRS, AND SCHEDULES FOR BANKRUPTCY PRACTITIONERS

Dear Bankruptcy Practitioner:

One of the statutory duties of the United States trustee is to supervise the administration of cases by "taking such action as the United States trustee deems to be appropriate to ensure that all reports, schedules, and fees required to be filed under title 11 . . . are *properly* and timely filed (emphasis added)". 28 U.S.C. §586(a)(3)(D).

In furtherance of that duty, we have developed the attached annotated bankruptcy petition, Statement of Financial Affairs, and schedules in consultation with the Chapter 7 panel trustees and the Chapter 13 standing trustees. The comments contained therein are based on the inaccuracies and/or incomplete information that we see most frequently when we review the documents filed by debtors.

The annotations on these documents are meant to serve as guidance and are not intended to be, nor should they be construed as, legal advice. However, we hope that you will find them to be useful reminders in working with your clients to ensure that the information they file with the Court is true and correct to the best of their knowledge, information and belief - making the system work more efficiently and effectively for all parties.

1. Income from employment or opera	tion of business		
None State the gross amount of income the deb	tor has received from employment, trade, or p	profession, or from operation	n of

the debtor's business from the beginning of this calendar year to the date this case was commenced. State also the gross amounts received during the **two years** immediately preceding this calendar year. (A debtor that maintains, or has maintained, financial records on the basis of a fiscal rather than a calendar year may report fiscal year income. Identify the beginning and ending dates of the debtor's fiscal year.) If a joint petition is filed, state income for each spouse separately. (Married debtors filing under chapter 12 or chapter 13 must state income of both spouses whether or not a

joint petition is filed, unless the spouses are separated and a joint petition is not filed.)

Errors and omissions are very common under Q1. Amounts are frequently wrong. Often debtors don't list both spouses' income, don't list spouses' income separately, don't list both years and current YTD. Current YTD should disclose thru what date. Gross wages need to be listed, not net of non-taxable or tax deferred items. Debtors operating a sole proprietorship need to list gross revenue from Form 1040, schedules C and/or F, not just net income (or loss). When giving the "Source", provide the name of each person or entity which provided the income.

Practice Point: Check to see if information here is consistent with Schedule I. Generally it should be unless there has been a job change, cut in hours, etc.

2. Income other than from employment or operation of business

None

State the amount of income received by the debtor other than from employment, trade, profession, or operation of the debtor's business during the **two years** immediately preceding the commencement of this case. Give particulars. If a joint petition is filed, state income for each spouse separately. (Married debtors filing under chapter 12 or chapter 13 must state income for each spouse whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed.)

AMOUNT SOURCE

Income in this category is often omitted. Tax refunds are rarely listed but should be.
